FORTNITE UPDATE

The School Nursing Team have asked all schools to share the following information with parents:

"Many of you may be aware of the risks and concerns around children playing the online game Fortnite, which has a 12 rating but is played by much younger children.

We have been made aware of an emerging trend, where people are playing strip Fortnite using webcams. The rule is that when you achieve a "kill" you have to strip off, potentially adding an additional risk from children being exposed to and/or sharing indecent images whilst playing the game.

Please could you share this information with parents, colleagues and schools and remind them that any inappropriate/unlawful contact with children online needs to be reported."
