

Wednesday 13th May 2020

Dear Mrs Dawber,

Hi, it is Isabelle Marshall from your class, thank you for your letter to us seeing how we all are. It is very strange to be at home all the time, but I like it. I hope you are ok too.

Since I have not been at school, I have been doing lots of things to keep busy and to stop me from being bored. I have done lots of my schoolwork that you keep sending, even though sometimes I would rather just play.

Some of the things I have been doing are, painting shells and stones and putting them on the front garden wall, to make it look pretty. When people walk past, they stop and look at it and say how lovely it looks. I have been drawing lots of pictures and making a den under the dining room table, mum keeps having to tidy it up, lol. We have baked lots of cakes and buns and we are going to try and make some biscuits today. I have also been outside in the sunshine for walks and bike rides. One of the things I really like doing is playing "squats off" in the garden with my family. Because we are doing our house up now, I have been helping my dad do building things and in the garden. Yesterday, I WhatsApp my friend Ellie for 2 hours.

The best bit of the lockdown so far has helping with lambing and feeding all the baby lambs at the farm. This was my favorite activity because they are really, cute, and funny. I have never been able to look after Lambs so closely and sometimes there have been nearly 25 baby lambs to feed.

I have attached some pictures of the things I have been doing.

The things I have really missed about not being able to go out is my school, my friends, and you, but most of all I have missed seeing my grannies and my grandad and being able to go with them to Flamingo Land in the camper van with them.

I am really looking forward to being able to go back to school and doing art with Nels mum. Also, I am looking forward to playing out in the yard with my friends.

Fingers crossed it will all be over soon.

Take care, from Isabelle Marshall Year 3
