Dear Mrs Dawber,

Hi, it's Rebecca. I am writing to you to tell you some of the things I've been doing in lockdown and to let you know I'm OK and safe.

I have been doing lots of reading. So far, I've read 7 books and some of them were quite thick. Also, I have been doing some gardening with my mum. We planted seeds in the garden. Last week, me and my family shaved my dog, Sukie, and she has bald spots where the fur used to be! On Tuesdays, me and my family do Taco Tuesday where we eat lots of tacos. Furthermore, I do some yoga and exercise every week with my mum and sometimes with my pappy.

The best thing so far has been spending time with my family and having lots of fun. I have also enjoyed going in the garden when the weather has been nice. In addition, I have loved baking pancakes and buns with my nanny and mum.

I am missing all my friends and other family who I can't see. I also miss being able to go out and eat at restaurants and I miss going on holiday with my family.

The thing I am most looking forward to after lockdown finishes, is being with people, seeing my friends again and playing with them and being able to be outside in the playground.

That's what I've been up to. I can't wait to find out what the rest of year 3 have been doing. I'm really looking forward to seeing you all in school again.

See you soon,
Rebecca
