

Hello everybody, Its Amelia here!

I am just writing this letter to let you all know what iv been up to during the lockdown. I am safe and well and hope you are too!

Everyday when the weather has been nice and sunny I have been going for a walk or a bike ride with my mum and dad. We have been going all the way through the woods in the park, and right up to the top! it was very tiring on my bike! I saw lots of squirrels in the park woods, some was very cheeky. There was also a path that had collapsed and trees that had fallen down, I think it was from the floods and storms we had. I have also been baking with my mum, we have made lots of cakes and some brownies. They was yummy! Iv help my dad cook meals too, I think mine was better than his. Iv been doing a lot of crafts too and painting, I made some rainbows to put in my windows at home, I really enjoy painting. I have been keeping in touch with some of my friends from school on video call and my family too, we have played games and I have read books with my Grandma on the phone too.

During the lockdown the thing I have enjoyed the most is spending a lot of time with my parents, a lot more than normal! It makes me really happy. I really miss my friends and my teacher though and cant wait to see them again soon. I am now looking forward to going back to school and being able to play with all my friends and my cousins again I miss them so much!

That is what I have been doing, I cant wait to here my friends stories.

Stay safe everybody, see you all soon!

Amelia Bi.
