

15th May 2020

Dear Mrs Dawber and year 3,

Hi it's Maya Moo from year 3. Just letting you know how I'm getting on during the lockdown so far.

I'm missing my friends and Mrs Dawber, but I am enjoying being at home with pets and my family.

During my days at home since school has been closed I have been keeping myself really busy. I have learnt how to use different things on my mummy's mobile phone to video and chat to my best friends Charlotte, Bonnie and Darcy. It is great fun because we play games together and make ourselves into different characters. My favourite one is when I turn my face into a pizza.

I can now ride my bike really well and play games with my brother on the Wii fit.

I also have to do my homework with my brother and mummy, she tries to make it really funny but Logan is always grumpy.

I have had my birthday during Lockdown and my mummy and daddy surprised us both with a climbing frame which is great fun and it keeps me busy outside. We have been on lots of walks and have fallen into the stream a few times and got soaked, we had to ride our bikes back home all wet.

I am missing playing with my friends and seeing my teacher Mrs Dawber, but looking forward when we can all see each other again.

When I go back to school I look forward to seeing everybody and doing my PE, English and art.

That's what I have been up to during Lockdown, what has everybody else been up to in year 3?

Hope to see you all again soon

Love from Maya
