

15th May 2020

Dear Mrs Dawber and year 3,

Hi it's Logan from year 3. Just letting you know how I'm getting on during the lockdown so far.

I am missing my friends, rugby and football teams, but I am enjoying being at home spending time with my family.

During my days at home since school has been closed I have been keeping myself really busy. I have been on lots of bike rides with my dad and Maya which has been really good fun. I have to do my homework everyday which I don't always like doing.

I spend as much time as I can outside playing rugby, running, football, walking and playing on our new climbing frame that we got for our birthday surprise. I have even made my own obstacle courses using my rugby cones, goals, balls and exercise ladders. I have started to try and do some tricks on my bike but these sometimes go wrong and I fall off.

I am missing playing with my friends from school and having cuddles with my Nannies and Grandads. I sometimes get to see some of them on facetime and talk to them through the window or even over the wall or gate. We couldn't go on our Skiing holiday which made me really sad, but my mummy and daddy gave us some extra spending money for our next holiday which made me happy again.

When I go back to school I look forward to seeing everybody and doing my PE, Maths and art lessons again.

That's what I have been up to during Lockdown, what has everybody else been up to in year 3?

Hope to see you all again soon

Love from Logan
