

Walsden St Peter's Newsletter for Friday 8th September 2017

Happy New Year!

Welcome to the new school year. As this is our first newsletter as Headteachers, we would like to take the opportunity to thank the school community as a whole for the warm welcome that we have received. Whether it has been through support from our fantastic team of staff and Governors, enthusiasm from the pupils who have been keen to chat and help out, or kind words from the parents that we have had the chance to meet, everyone has contributed to making the start of our career at Walsden St Peter's a very enjoyable and exciting one. We're very much looking forward to getting to know all of our families over the coming weeks, months and years and we hope that we will have the opportunity to speak with you personally in the near future.

Although it may seem like a long time ago now, we hope that you had a successful break with your children - their teachers and teaching assistants have enjoyed hearing about their summer experiences in recent days. Over the last week, we have been pleased to see them settling into their new school year groups and classes. We would also like to welcome all pupils and their families who will be joining the school in Reception over this week and next. We wish them a happy and successful association with our school and sincerely hope that all pupils and staff have a productive and enjoyable year.

Infant Playground – latest

Work has been continuing behind the scenes to agree the timescale for the remedial work on the infant playground. Further details will be issued by the Governors when any dates have been confirmed but work should begin towards the end of October.

Awards Assembly

Parents and families will be most welcome to join us next Friday at 9.00am for our first Awards Assembly of the year. Parents of Reception children will be informed when they begin to join us in whole school assemblies.

Esther Logue & Emma Crowther , Headteachers.
