Data Collection sheets

Thank you to everyone who checked over their child's data sheet at parents evening. Each year we hand these out at parent's evening so you can check the information we hold on your child. It is particularly important that you check we have the correct mobile phone numbers as we often contact parents by text with information. For safeguarding reasons we also require at least one other contact who resides at a different address to your child.

If you have not checked or returned your data sheet, please do so as soon as possible so we know that we have the correct information and if you wish to inform us of any changes, please call into the school office. Many thanks.

Oliver! at Todmorden Hippodrome

Year 1 Toy Museum

Year 1 opened the doors of their Toy Museum yesterday afternoon. Parents and carers were invited to come and play with toys from the past, take part in a treasure hunt and craft activities, watch a puppet show, go to their café and many more interesting activities. All the

researchers, helpers and experts from Year 1 did a brilliant job of sharing their knowledge and welcoming their guests. Mrs Gray and Mrs Hurst are very proud of them.

Yesterday Year 6 took part in a Todmorden Inter schools athletics competition. As well as some outstanding individual performances, the team was placed third overall. Once again, the staff were very proud of their sportsmanship and excellent behaviour.
