

Walsden St Peter's Newsletter for 2nd February 2018

Lost and found

A silver bracelet has been handed into the school office. If you have lost one, or know someone who has, please get in touch.

Year 1 trip

Year 1 visited Hamza mosque in Todmorden this week. They have been studying Islam in class so really enjoyed having a look around a mosque and asking questions of the Iman.

Changing the end of the school day.

The Governing Body discussed the responses to our consultation about changing the end of school finishing time for KS2 children at their meeting this week. They have agreed to the proposal that the school day finish at 3.15pm for KS1 children (as before) and at **3.20pm for KS2 children**. In order to allow time for parents and carers to make any necessary changes to their collection arrangements, **we will implement these changes after the Easter holidays**.

Parent Governor Elections

We were delighted to receive more than one nomination for the role of Parent Governor. Your child will be bringing home today further information about the candidates, the election process and balloting papers. **There is one ballot paper only per parent**. The deadline for receiving your votes is Friday 16th February.

Year 4 Trip – Eureka!

As part of their Science Topic, The Human Body, Year 4 visited Eureka! on Wednesday. They spent a long session in the 'All about Me' gallery' before exploring other parts of the museum. As ever their behaviour did us proud. They were cheerful and considerate throughout the whole day, even when they had to walk unexpectedly into Todmorden as our train from Walsden was cancelled!

Hockey Tournament

Last Friday we hosted a hockey friendly against Todmorden C of E School. As they were not used to playing with wooden sticks, we had a warm up lesson beforehand. Our players led the coaching during the session and acted as umpires during the matches. Mrs Dugdale was really proud of their coaching skills, kindness and good sportsmanship. We even lent them a couple of our players once or twice. We won all but one game, although Todmorden C of E got better and better as they got used to the sticks.

Stars of the week

This week's stars are Connie Mooney, Amelia Bi, Benjamin Alsop, Beatrice Davis, Freddie Waite, Joshua Fielden and Ava Smith. Well done to them all.

Lunchtime Awards

Our midday supervisors have chosen, Olivia-Megan Whittaker, Miles Brandwood, Elsie Lowe, Isabelle Berry, Leo Urquhart-Reid and Beatrice Davis for their excellent behaviour at lunchtime.

Esther Logue & Emma Crowther, Headteachers.
