

Walsden St Peter's Newsletter for 29th March 2018

Y2 flight challenge

This term Year 2's science topic has been 'flight'. They have been learning all about flight and flying machines with Mrs Knudsen and the pupils were set a homework task to design and make their own 'flying machines'! There were some really imaginative and ingeniously designed models and they were all tested in the playground for their durability and ability to fly. Well done to everyone and a special well done to Ernie's flying machine which travelled the furthest in the test flights!

Y3 Ancient Greek morning

This term Y3 have been learning all about Ancient Greece. All the pupils have really engaged with this topic and produced some amazing work. To mark the end of the topic, Mrs Dawber and the children organised a morning of Ancient Greek themed activities including food tasting, wreath making, clay pot making, Ancient Greek writing and grape crushing! Mrs Dawber and the pupils would like to thank all the parents and carers who came along and got involved; everyone had a great time.

Healthy café in Reception class

This week our reception children have been busy preparing food for our healthy cafés. The children made healthy snacks including fruit kebabs, hummus with vegetable sticks and flapjacks. Thank you to all the parents and carers who joined us; the children made super chefs, waiters and waitresses!

Easter celebrations

We hope you were able to join us for our Easter Service at church this morning as the children did us proud. Congratulations to all the winners in the FOWS Easter Draw, which was drawn after the service. This afternoon each class took part in an Easter egg hunt here at school, also courtesy of FOWS: thank you to them.

School website

If you haven't already, take a look at our school website www.walsden.calderdale.sch.uk. Amongst other things photos from trips, school council activities, sports events and class work are regularly uploaded onto the 'Life in School' and 'News' sections. Our weekly newsletter is also available to view.

Change to school finish time

Just a reminder that the new finish time for Junior children after the Easter break is **3.20pm**. Infants finish time of 3.15pm remains unchanged.

Easter holiday

We break up today and reopen on Monday 16th April. Have a good Easter break.

Esther Logue & Emma Crowther, Headteachers.
