

Walsden St Peter's Newsletter for 14th September

Village Scarecrow festival

On the 6th October there will be a Walsden Scarecrow festival, organised by St Peter's Church. The theme is 'Nursery Rhymes and Fairy Tales'.

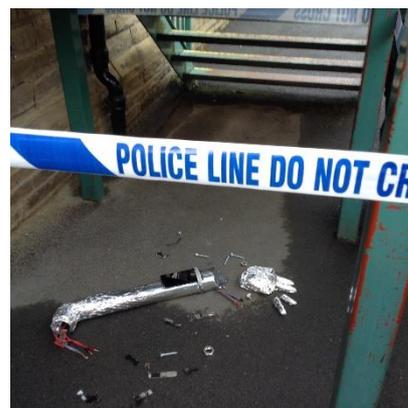

Some of our pupils are busy preparing our school's entry but individual families are more than welcome to enter too. Registration forms are available from Grandma Pollard's, Walsden Post Office and Steph at Sunflowers. The closing date for entries is 21st September.

Church link

This week the Junior children attended an assembly at St Peter's led by Rev Nancy as part of our link with the church.

Mystery in Year 3

During whole school assembly on Wednesday morning what appears to be robot's arm mysteriously appeared in the school playground. Year 3 are investigating the event for us. If anyone has any information about this object, please let the school office know so we can pass the details on to them.

Awards Assembly

It was lovely to welcome parents and carers to our first awards assembly of the school year.

All present and correct

It's lovely to see all our Reception children in school full-time now and settling in well. We always give them a week or two to become a little more confident before we bring them into assembly so it may be a while before you see Reception class in the hall on a Friday morning.

SAFEGUARDING ALERT: Rochdale Road Gates

In the interest of safeguarding all our children, we ask that visitors to school **DO NOT climb on the wall to reach through the fence and disable the lock during school hours**. Unless accompanied by school staff, during the school day all visitors are required to request admission to the school premises by coming through the school carpark off Regent Street, to the main school office. At home time and at planned events, school staff will open the Rochdale Road gates for parents and other visitors. It is vitally important that the school site remains secure and all visitors to the site are accounted for. As ever, we rely on the support of the whole community in ensuring the welfare and safety of our children.

Stars of the week

Our first stars of the school year are Poppy Ridding, Logan Dransfield, Arthur Pollock, Harry Lewthwaite, Erica Rothwell and Isobel Pollock. Well done to them all.
