### Surprise visitor in Year 2

This morning a spaceman accidentally landed in a neighbour's garden so Mrs Knudsen invited him in to school! He found the school so welcoming that he stayed with Year 2 for the entire morning, giving them a real insight into what it is like to be a spaceman living in space! They also helped him to design and build a space shelter for his friend Space George. Thank you Year 2 for being such good hosts.

### MacMillan coffee afternoon

Many thanks to everyone who came along and supported our MacMillan Coffee afternoon today; the hall was very busy with parents and carers. Also a big thank you to everyone who donated cakes and biscuits. We are still counting all the donations and we will let you know the amount raised next week.

### Y1 Hat Therapy trip

Our Year 1 children visited Hat Therapy in Hebden Bridge this week as part of their design and technology work in the classroom. They were fascinated to see a real life milliner at work and loved seeing all the beautiful hats on display. It has given them some real inspiration. Thank you to Chrissie from Hat Therapy for being so accommodating.
