Message from the School Council

We have agreed to support three charities, throughout the rest of the year. The three charities we have decided to support are Greenpeace, the British Heart Foundation and Cancer Research UK. To do this we will have loose change jars, in each classroom, so if you have any spare coins please put them in the jars. Thank you

U11 girls football - Halifax Area finals

The girls set off bright and early this morning ready for a day of football at North Bridge Leisure Centre in Halifax, they won both their games, only for the tournament to be cut short due to a burst water pipe! We understand the tournament will be re-arranged in the new year.

Message from Friends of Walsden

The friends would like to thank everyone who helped make the Christmas fair such a success: people who helped on the day, setter uppers, cleaner uppers, people who donated gifts, chocolates, bottles and so many more. The day was a huge success and everyone had a great time. We raised £1300 for school. As always this goes towards various school trips, equipment for the children and we have plans for kitting out the infant yard! Thank you for all your support; this just wouldn't be possible without your generosity and enthusiasm.
