

## Walsden St Peter's Newsletter for 8<sup>th</sup> March 2019

### World Book Day 2019

How fabulous did all our pupils (and staff) look today? There were some amazing book character costumes on show; a big thank you for all your support. It was such a tough decision but our costume winners were: Sebastian Wright, Elsie Lowe, Joe T, Lile McGrath, John Wood, Rhiannon Logue and Kian Woodfin. Well done everyone. For more photos see page 2 and our school website!

### Red Nose Day – Friday 15<sup>th</sup> March - dress in something red!

Our Y6 ambassadors have been busy organising a Red Nose Day fundraiser which will take place next Friday, 15<sup>th</sup> March. They are selling Red Noses in school (priced at £1.25) and hosting a 50p bun sale on the day. The day will also be non-uniform but children should dress in something red! Thank you in anticipation of your support.

### Todmorden Schools Swimming Gala

Great swimming yesterday by Team Walsden! In total 32 swimmers representing Years 3 -6, faced competition from three other Todmorden Schools at this annual gala. Our team all swam extremely well and showed great sportsmanship throughout. The final results will be announced after the remaining three schools have swum their races next week. Watch this space!

### Yorkshire Schools Cross Country Championships

Well done to Emily Tiler and Lennie Halstead who represented Walsden at the Yorkshire Schools Cross Country championships in Leeds on Wednesday. They were competing in very tough, muddy conditions against Yorkshire's best young runners but they did themselves proud by finishing 19<sup>th</sup> and 41<sup>st</sup> respectively; a remarkable achievement given there were over 220 runners in each category. Well done to them both.

### Parking...again

Following on from our request in last week's newsletter to park safely on Regent Street, we are now getting reports of dangerous and inconsiderate parking at the entrance to Clough Mill & on kerbs opposite the school. Safety of our children is paramount and children and parents are finding it very difficult to negotiate these badly parked vehicles before and after school. Please can we ask that parents please park considerately and safely around school, or ideally park up a distance away and walk in. Thank you.

Esther Logue & Emma Crowther, Headteachers.
