Headteachers: Mrs E Crowther and Mrs E Logue

Dear parents and carer,

We have recently been approached by a number of parents asking if it is possible for school to provide before and after school care.

After discussions with school, Hollins Day care have offered to provide before school care at a breakfast club in the school hall. The times proposed for this before school care would be **7.45am** until **9am**. The charge for this provision would be £4.60.

Hollins Day care staff would be responsible for running the before school provision and therefore all charges would be paid directly to Hollins Day care.

Unfortunately, an after school club is not something we can offer at this time as it would have a detrimental impact on many of our successful existing clubs due to lack of space and facilities.

In order for this provision to go ahead we need to gauge interest from existing families. Please fill in the form below to indicate whether you would be interested in taking up a place in September.

Kind regards

Emma Crowther & Esther Logue
