Our newsletter is sent weekly via email and published on the school website each Friday afternoon. It is also available to view on the school noticeboards. If you don't read it each week you may miss out on crucial information. If for any reason you are not receiving the newsletter by email – please get in touch with the school office.

Lunchtime photos

Miss Langford took a couple of photos of our infant pupils having fun in the sun at lunchtime this week. Unfortunately the weather has turned for now, but we are sure there will be better weather to come and our children can continue to enjoy their outdoor games and activities.

Parking on Lacey Avenue

We are still receiving complaints of parents parking on Lacey Avenue.

This is private parking so please **DO NOT** park there. Thank you

Y2 have a new reading area 'Starbooks Cafe'! The children have been enjoying digesting some literature in there since it opened in the last couple of weeks!

REMINDER: Y4 & Y6 parents

There is a Y4 and Y6 Open Book evening on Monday between 3:20pm – 4:20pm. Just drop in and have a book look.

Inspiring future generations

As part of our aim to show the wide variety of careers available to our children we had a visitor yesterday who is a process engineer at a recycling plant. Eve gave a presentation on how aluminium is recycled and the different processes involved. She explained that if you like solving puzzles and maths that engineering would be a good career to think about.

Thank you, Eve, for taking a day of your holidays to come to our school and inspire us.

Football news

Yesterday, both of our U11s teams played matches against Castle Hill. All children played brilliantly and supported each other. The boys came away with a 7-0 win thanks to some excellent determination. The girls lost 2-1 but were very competitive and came close to equalising a couple of times. Well done all and we are proud of every single one of you.

Poem of the Week

This week's poem was chosen by Mrs McNulty and Miss Hughes because they are proud of all of the children in Year 2 who did an amazing job working together to write this poem. It is based on the feelings of Lila, a character from the story that they have been exploring in their English lessons.

Thank you rain for making the villagers happy by helping the crop grow tall

Thank you rain for giving us water by filling up the well for all

Thank you rain for letting us milk the cow and gather firewood

Thank you rain for keeping us safe and making life so good

By Y2, Walsden St Peter's

Don't forget we break up for Easter next **Thursday 7th April** and return on **Monday 25th April**.
